MEMORANDUM TO: Colonel White

SUBJECT : Rebuilding of Roadways, [REDACTED]

1. The attached proposal requests approval of the expenditure of \$23,000 of Support Mission Funds to rebuild roadways in our area on the [REDACTED]

2. [REDACTED] is currently engaged in resurfacing and rebuilding roads of a more durable nature, and plan to build approximately 3,080 lineal feet of asphaltic concrete road 22 feet wide.

3. The total cost of this construction is estimated at \$33,000. The [REDACTED] has agreed to absorb \$10,000 leaving \$23,000 to be contributed by CIA. I have checked this out with the Budget Division and they concur in the availability of funds.

4. I can speak for the need of this paving thru my own experience, having waded thru almost knee-deep mud while at the base last February.

5. Your approval of the study and concurrence on the outgoing cable will permit the station to implement this program with the [REDACTED] Approval is recommended.
